

Foundations and Pre-Calculus Math 10

Instructor: Mike Gaskell

Email: mgaskell@sd40.bc.ca

Phone: 604-517-6191

Description

This online course is designed to provide students with the mathematical understanding and critical-thinking skills identified for entry into Grade 11 Pre-Calculus.

There are 3 Modules in this course.

Module A	The Fundamentals (5% of course grade)
Module B	Intermediate Algebra (5% of course grade)
Module C	Advanced Algebra (90% of course grade)

There is a mandatory provincial exam. Please contact your school about writing it. You must complete this course, before writing.

For students under 19 years of age completing the 80-credit graduation, this course meets the Math 10 requirement for graduation.

This course is offered online at <http://www.virtualschoolbc.com>.

Required resources:

FMP 10 does not require a textbook. It is an online course requiring a computer and an internet connection.

The Ministry of Education's learning outcomes can be seen at

<http://www.bced.gov.bc.ca/irp/plo.php>

Assessment Strategies / Performance Standards

Module C represents 90% of the grades in the course and needs to be completed online, but invigilated by a teacher. Performance standards for this course can be found by visiting the Ministry of Education's website:

[\(https://www.bced.gov.bc.ca/perf_stands/\)](https://www.bced.gov.bc.ca/perf_stands/).

How long will this course take?

This is a 4-credit course and you should expect to spend 100 - 120 hours to complete it.
